Hi Phil,

Attached is the EPA's response to the Helena's June 11, 2020 LOV response letter. This email also has the attachments to the EPA's response letter.

In response to concerns regarding COVID-19, the EPA has implemented protocols for electronic signatures and e-delivery for these documents. I've requested a read receipt for this email.

We look forward to meeting with the City to confer about the City's efforts to address EPA's alleged violations and to discuss the potential for settlement of the EPA's claims set forth in the LOV.

We are planning to meet with you via Microsoft Teams on July 23, 2020 from 1:30 to 3:30 pm. The Microsoft Team's video conferencing link and phone number information were sent on July 6, 2020.

Please feel free to call me with any questions.

Thanks,

Emilio Llamozas
